This KOA campground is located at the northern tip of Oregon, only one mile from the beach, and the area offers something for everyone. There are miles of hiking and biking trails, nearby picturesque towns and historical sites, shopping and entertainment. The weather forecast calls for sunny skies with patches of clouds and temperatures in the high 70's. (Bring a jacket! There's always wind on the beach and a chance of rain.) Check out our family reunion website at smithreunion.com for updates and to see who else is planning to attend.

The Henry & Annabelle **SMITH** family reunion at the beach!
